# Resume

Curriculum developer and educator with four years designing instructional frameworks for multilingual and high-need learners.

markwell.skyler@gmail.com · LinkedIn (https://www.linkedin.com/in/skyler-markwell-3979b9216) · Louisville, Kentucky

## Experience

### Teacher of multilingual learners, ECE and health education

ESL Newcomer Academy, Louisville · January 2026 to present

- Design tailored curricula for high-need learners, balancing rapid schedules with long-term goals to ensure concept mastery.
- Run weekly performance-coaching check-ins to review progress with students and adapt their learning pathways.
- Elected to the Collaboration Leadership Team; poll staff, advocate for operational improvements with administration, and collaborate across departments.

### Instructional lead and career coach

SummerWorks Program, Louisville · June to August 2026

- Taught recent graduates in an intensive summer program: workforce readiness, career transition skills, resume writing and professional communication.

### Teacher of multilingual learners and program lead

Marnel C. Moorman K–8 School · September 2022 to January 2026

- Used performance data to show program impact and advocate for continued funding, retaining instructional roles across a six-person department.
- Designed tracking frameworks to monitor student progress and district compliance, and exited 25 students from language services through targeted intervention.
- Led a team of six educators and assistants, managing schedules and resource allocation to ensure daily coverage for 100% of my caseload.
- Led a data-cleansing initiative that audited records for 225 students, from their first entry into the country to the present day.
- Ensured 100% of families were onboarded to our digital communication platform.

## Education

**Master of Arts in Teaching, English as a Second Language**, Asbury University, 2025. Cross-cultural communication, instructional scaffolding, curriculum design, applied linguistics.
